ABOUT US

Connecting Global Food Sources with Businesses Across the UAE & GCC

Memon Empire Foodstuff Trading L.L.C is a UAE-based foodstuff company focused on connecting established international sources with businesses across the UAE and GCC. Our product portfolio covers a wide range of essential food categories, including fresh produce, fresh, chilled and frozen meat, dairy products, eggs, bakery products, potatoes, honey and apiary accessories, ghee and vegetable oils, as well as flavours and fragrances. We source add products from established suppliers across international markets, including India, Pakistan and Türkiye, and facilitate their import, export and supply to business customers based on their specific requirements. With a strong focus on product quality, reliable sourcing, competitive commercial solutions and professional service, we aim to build long-term relationships with suppliers, distributors, retailers, wholesalers, food-service businesses and other commercial customers. Our approach is built around understanding customer requirements, identifying reliable sources, maintaining quality standards and ensuring a smooth supply process from origin to destination.

VISION & MISSION

VISION

To become a trusted international foodstuff sourcing and supply partner, connecting reliable global producers with businesses across the UAE and GCC. We aim to create a seamless bridge between quality suppliers and businesses seeking dependable food products. Our vision is to make global food sourcing more efficient, transparent, and reliable for every business we serve.

We aspire to build a respected organization recognized for quality, reliability, transparency, and long-term business relationships, while continuously expanding our international sourcing capabilities and strengthening our presence across the GCC.

MISSION

Our mission is to provide businesses with dependable access to a diverse range of food and related products through established international sourcing networks. We are committed to sourcing quality products from reliable suppliers and delivering consistent, dependable solutions. We strive to simplify the sourcing process through professional service, efficient distribution, and a strong commitment to customer satisfaction.

We strive to understand and respond to customer requirements while maintaining professional, transparent, and efficient business practices. Through strong supplier and customer relationships, we support seamless import, export, and distribution while building lasting partnerships based on trust and reliability.

Connecting global food producers with GCC businesses through quality sourcing, reliable supply, and transparent service, building trusted partnerships for long-term growth.

FOUNDER'S MESSAGE

A MESSAGE FROM THE DIRECTOR
